

It was the first day of school for Mia. When she got there, she stood, she stood nervously. She took a deep breath in and walked in the Magisterium. As Mia walked in she saw the glittering mica floors and the flowstone walls. "Wow," Mia said as she breathed in.

"Welcome young mage," said a elder mage of dark skin and dark eyes.

"Who are you?"

"I am Master Rufus, One of the iron year Master's." said the dark skinned mage. "Could you tell me where to go?" Mia asked. "Where to?"

"Well this my first year and I'm a late mage."

"So I assume you are Mia Hunt?"

"That's me alright." Mia said nervously as she followed Master Rufus. But one thing Mia didn't know is that her brother Callum Hunt was the enemy of Death.

"Right this way miss. Hunt." Master Rufus said as he showed Mia the room she would be staying in. Mia look around at the room. "And I am your Master." said Master Rufus. "Like my brother." said Mia as she explored the room. Then she saw her name above a door. So Mia opened the door and saw her new bedroom.

Mia looked in it, then she went in. As she looked around she felt nervous she didn't know what to do. She wanted to be near Call.

In the morning she woke up by her alarm clock. As she sat up she saw some clothes. So she put them on. Then she heard a voice outside. So she opened the door and saw a girl on the couch. "Hello?" Mia said as she wondered who this was. "Oh! uh... My name is Lily," said the tan girl. "My name is Mia," Mia said as she sat down next to Lily. Then a bell rang and Call came in. "Come on you're late for breakfast," Call said as he left the doorway. When they got there they couldn't believe their eyes.

Up in the middle of the refectory was the enemy of death, Constantine Madden. "Call!" Mia said as she breathed in. "Call what are you doing?" As Mia stood still. "Call? Call? Who are you talking about? I am the enemy, the enemy of death!" said as he shot an arrow from the void right at Aaron. "No!" said Mia as she got hit by the arrow. "No!" Call said as he fell and ran to Mia.

"Mia, no please." Said Call in tears. As a tear dripped down on Mia. Call. Mia said as she opened her eyes. "You're alive!" Call said in amazement. "So you're the enemy?" Asked Mia. "Ya."

"What do we now?"

"I really don't know." Call responded. As Master Rufus came over, and put Mia in a wheelchair.

The next day Call went to see Mia. "Hey uh... Are you o.k.?" Call asked

"Ya I guess so."

"Good!" Call said relieved. Then the nurse came over. "Mia you're all set to go." Said the nurse, and walked away.

"Well it's nice to see you up." Said Master Rufus as he leaded Lily and Mia to the gate of control. "Do you see it?" Ask Master Rufus.

"Ya." Said the two girls.

"Good, now you may walk through." As the two girls walked through Mia couldn't wait to learn more.
